

Workforce Readiness Committee

Purpose:

The Workforce Readiness Committee works collaboratively in an effort to help connect and prepare people for their careers. Our objective is to identify emerging trends in the labor force and work with educators to prepare students for life outside of the classroom.

Goals & Objectives:

- Actively engage with local schools, at all levels, to equip students with the skills needed to successfully transition into workplaces.
- Collaborate with organizations to provide the tools and resources necessary to offer opportunities for students in the workplace.
- Encourage mentoring of individuals seeking a career in HR.
- Raise awareness, educate and connect our members to local community partners that will help bridge the skills and opportunity gaps and advance our workplaces.
- Report on workforce readiness issues to chapter members and serve as advocate at chapter activities for education programs.
